Parkway Autopoint Kettering

Home services

Home delivery

- ✓ Detailed handover to get to know your new vehicle
- ✓ Delivery outside of working hours

COVID-19 safety measures

- ✓ Appointment only
- ✓ Social distancing measures in place
- ✓ Contactless collection

We offer a "Click and Collect" contactless handover for our customers who want to collect their cars seamlessly and without concerns regarding visiting our showrooms. As our showroom is fully open, we can now operate a more "Business as usual" approach taking the safety of our customers and our staff very seriously. We highly recommend booking an appointment to avoid disappointment on arrival if we request you to wait until the dealership has less customers in it.

We have also put in a number of social distance measures in place including screen protectors, hand sanitisers, masks and are offering unaccompanied 30 minute test drives on all vehicles subject to licence

checks and validation.

About this advert

Specifications

The data displayed above details the usual specification of the most recent model of this vehicle. It is not the exact data for the actual vehicle being offered for sale and data for older models may vary slightly. We recommend you check the vehicle details with the seller before you buy.

Insurance categories

We use data from the Motor Insurance Anti-Fraud and Theft Register (MIAFTR) to check whether the vehicle was recorded as being written off as part of an insurance total loss claim at the time the advert was placed. We provide write-off category labels (Cat C/D/S/N) for your assistance, but the presence or absence of a label does not guarantee the vehicle's status. Data can change, so you are strongly advised to obtain a full vehicle history check before making an offer on a vehicle.

Vehicle checks

Vehicle checks are provided by Auto Trader (using data provided by Experian) for information only and to the extent permitted by law. Neither Auto Trader nor Experian will be liable for any inaccuracies or for any loss you suffer if you rely on it as detailed in our [terms of use](#).
