COVID-19 safety measures

- ✓ Appointment only
- ✓ Social distancing measures in place
- ✓ Contactless collection

Here at Autolab we have taken great measures to ensure the safety of our customers, staff, vehicles and our premises.

We have social distancing measures in place in our showroom, during handover and in our workshops.

All our vehicles are prepared, valeted, detailed and sanitised inside and out to protect against risk and infection.

We offer a complete exterior and interior walkaround videos of every vehicle we have for sale.

All finance payments and paperwork can be completed electronically and we offer a free delivery service on all our vehicles.

We would like to ensure safety on all aspects of your new purchase.

Services offered

About this advert

Specifications

The data displayed above details the usual specification of the most recent model of this vehicle. It is not the exact data for the actual vehicle being offered for sale and data for older models may vary slightly. We recommend you check the vehicle details with the seller before you buy.

Insurance categories

We use data from the Motor Insurance Anti-Fraud and Theft Register (MIAFTR) to check whether the vehicle was recorded as being written off as part of an insurance total loss claim at the time the advert was placed. We provide write-off category labels (Cat C/D/S/N) for your assistance, but the presence or absence of a label does not guarantee the vehicle's status. Data can change, so you are strongly advised to obtain a full vehicle history check before making an offer on a vehicle.

Vehicle checks

Vehicle checks are provided by Auto Trader (using data provided by Experian) for information only and to the extent permitted by law. Neither Auto Trader nor Experian will be liable for any inaccuracies or for any loss you suffer if you rely on it as detailed in our [terms of use](#).
